Now Is The Time To Memorize!
 In Psalm 119:11 it says, "I have **hidden your word** in my heart that I might not sin against you." During these stressful days, there is no better time than "now" to memorize God's Word and there is no better way to prepare for the battles ahead of us. For the first time in our lives, we are seeing the possibility of one day having little or no access to the Bible. We can't just assume it will never happen to us. It makes sense that we would be busy studying and memorizing the Word. Though there are some in our country, busy burning Bibles, we know how precious the words are and we know that they are a **light unto our path**. I challenge you to memorize scripture. Maybe you can do it as a family. Maybe you or your family or your child would be willing to share with the church some of the verses that you have memorized. Please contact me if you would to do so and we will find a Sunday for you to share with our church family. It will be an encouragement to us all!

Thanking God for His Precious Gift,
Diana
