Sunday AM Sermon Series - The Book of Daniel

When you examine the life of the prophet Daniel you discover that he lived in a culture that was very similar to what believers in America face today. In Babylon, it was not politically correct to believe the Bible or live with high moral standards. Therefore Daniel shows us how to live the Christian life in a hostile climate. I hope you'll be present this Sunday morning as we continue our study of this exciting book.

We Surpassed Our Lottie Moon Goal

Thanks for giving to the Lottie Christmas Moon offering for international missions. Our goal was \$12,000 and as of Sunday we have collected \$12,775. Thanks for your generous support of our Southern Baptist missionaries.

Your Pastor, Bro Mike.

Sand Springers,

Hey everybody I'm so excited about having the Isaacs here at Sand Spring this Sunday night the 12th of January. This family is my all-time favorite group. Their family harmony is so tight and so expressive, there just aren't enough words to explain how good they are together. They've been on Gaithers Homecoming Videos and the Grand Ole Opry. They are the best progressive Bluegrass Gospel group I've ever heard. If you love good music, you won't want to miss this concert.

Blessings, Ellery

Parents: Thank you so much for making the parent luncheon a success! I hope it was helpful for you and your family. I hope you were given a good idea of what we are trying to accomplish and the goals that we have set. Thank you for entrusting your child to the student ministry at Sand Spring. If you missed the luncheon, feel free to pick up a medical release form along with other important info in the church office.

Also want to thank all that made desserts, helped to set up, and tear down. I couldn't have done it without you!!

By His Grace, Noah
