Sunday PM Sermon Series - The Book of Jude

Some of the smallest books in the Bible are also some of the most important. The little book of Jude contains just 25 verses but it has an important message for Christians today. Jude wrote this letter to warn God's people of the dangers of false doctrine.

We live in an age where many suggest that "all religions are the same." We can expect to see more false prophets and false religions as we get closer to the end of the age. I encourage you to join us on Sunday nights at 7 pm as we study the book of Jude verse by verse.

Your Pastor, Bro Mike.

Ministering Together, *Diana*

Sand Springers,

I'm still walking on clouds after last night's concert with the Isaacs. I think everyone who was able to make the concert was blessed by their superb musicianship, their great harmonies, their touching testimonies, and their servant hearts. We attempted to count and we came up with over 950, so we're going to round that up to somewhere around 1000. Thanks to everyone who made this possible, and to each of you who came and supported our efforts last night.

Blessings, Ellery
