Don't Take a Vacation from God's Work

With the end of school approaching, many families are planning their summer vacations. It is wonderful to be able to get away and enjoy some time with your family, but while you are on vacation, make sure that you do not take a vacation from God's work. If you are out of town on a Sunday, find a good church to visit. You will pick up some good ideas to share with our staff about how to improve our ministries here at Sand Spring. Also, don't forget that your local church depends on your faithful giving. If you miss giving your tithe while you are out of town, you can make up for it when you return home. Proverbs 3:9-10 says, "Honor the LORD with your wealth, with the firstfruits of all your crops; then your barns will be filled to overflowing, and your vats will brim over with new wine." God blesses those who are faithful to support His work.

Your Pastor, Bro Mike

Beach Week: beach week is coming June 5-9! We will be leaving the church at 5:30 a.m. We ask that each student bring their favorite cereal/breakfast food. Parents will be receiving an email with more details; parents please make sure I have your email address.

Sand Springers,

Don't forget to sign up for our trip on Tuesday, June 18th. We are headed to McKee, KY to visit Oakwood Acres. There are over 20 buildings, hand built by the owner. They each have a different theme and are decorated to match. Just to name a few there is a farmhouse, blacksmith shop, general store, train ticket office, library filled with antique books, doctors office, school, church, post office and more! These buildings will take us back to the 1920's and 30's. I will be collecting \$4.00 per person on the bus to cover the fuel and donation to Oakwood Acres. After our visit, we will head to Berea, KY for lunch at Boone Tavern, and some shopping around the town. We will leave the church at 8:00am. There is a sign-up sheet in the atrium area. From now on I need your name on the sign-up-sheet, along with an emergency contact person and their phone # please. We need this information on our records in case an emergency arises while we are on a trip.

Thanks Ellery

Starting this coming Sunday, June 2nd, the Centershot Archery program will begin for children through the 6th grade. All boys and girls are invited to come out and join the program to learn about shooting techniques and safety in using a bow and arrow.

Each session will conclude with a Christ-centered devotion. Children should meet in the multi-purpose room at 6:00 p.m.

Because Kids Matter to God
