God's Forgiveness is Available

The Bible uses the word forgiveness to describe the restoration of a relationship. God forgives us by removing our guilt and releasing us from the penalty we deserve. We receive God's forgiveness when we trust in Jesus as our Savior. Ephesians 1:7 says, "In him we have redemption through his blood, the forgiveness of sins, in accordance with the riches of God's grace."

God not only forgives us, He also gives us the ability to forgive others. Eph 4:32 says, "Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you."

This Sunday morning we will begin a 3 week series on forgiveness. We are going to discover how we can be forgiven, how we can forgive others, and how we can forgive ourselves.

Your Pastor, Bro Mike

Turn the clocks back one hour on Sunday, November 2nd

Hey Sand Springers,

Calling all children who like to sing and act. Our Children's choir is now rehearsing on Sunday nights at 4:45. We have a very small number of children and want to make sure everyone knows that Christmas Choir has started. Ms Jana Flygstad is our director this year and is very qualified to teach music and work with our children. We would love to see your children in choir practice this coming Sunday.

CHRISTMAS CHOIR

We still have a place for you in the adult Christmas choir. We are rehearsing in the choir room on Wednesday nights at 7:45 see you then.

Blessings, Ellery

"Your Legacy" Bible Study

This new Bible Study starts this Sunday at 10 a.m. in classroom 253 in the New Fellowship Hall. This study, by Dr. James Dobson, is on leaving a spiritual legacy. Dr. Dobson shares what his ancestors passed down in their family. This thought-provoking Bible study will guide you through evaluating the type of spiritual legacy you are leaving to your children and grandchildren.

Join This New Study! *Diana*

I pray that you were blessed and challenged by the speaking of Dr. Richard Ross this past weekend. As our family focus month has come to an end, there seems to be a key word that continues to pop up, and this is "PARTNERSHIP." Undoubtedly, the best equation for student evangelism and discipleship is a partnership between the church and home. A partnership between the church and home allows for students to grow continually as well as recognize that a relationship with Jesus is to be lived out every day of the week, not just Sunday. As I'm sure you know, discipling teenagers is not for the weak. It is challenging for sure; however, the reward is incredible and so worth it. If I can serve you and your family in any way, I would love to do so!

By His Grace, Noah
