

**“Lord Give Me Patience and Give It Now”**  
**James 5:7-11**

James warns believers to \_\_\_\_\_ difficulties and trials in life. He says the one quality that will help us endure trials is \_\_\_\_\_. The word patience means “to maintain \_\_\_\_\_ while going through difficult circumstances.”

There are 3 areas in which we must \_\_\_\_\_ to be patient:

**1. Patient toward the \_\_\_\_\_ Coming. 5:7-8**

James compares believers to a \_\_\_\_\_ who has no control over the weather. The farmer must trust \_\_\_\_\_ to control the circumstances he \_\_\_\_\_ control.

Just as the Lord’s timing of the \_\_\_\_\_ is perfect, His timing of the 2<sup>nd</sup> Coming is also \_\_\_\_\_.

**2. Patient toward the \_\_\_\_\_. 5:9**

Sometimes \_\_\_\_\_ people who face difficulties are tempted to \_\_\_\_\_ against each other. James reminds us that Jesus is standing at the \_\_\_\_\_ listening to us and will \_\_\_\_\_ those who cause division.

**3. Patient toward \_\_\_\_\_. 5:10-11**

The \_\_\_\_\_ patiently endured suffering even though they suffered for doing what was \_\_\_\_\_. Job was the most \_\_\_\_\_ man in the world, yet he suffered.

When trouble comes to the believer, there is always a good \_\_\_\_\_ for it.
