

# "The Law of Sowing and Reaping"

## Galatians 6:7-9

God has written into His universe the law of \_\_\_\_\_ and reaping. This law is universal and \_\_\_\_\_. Since all of us must \_\_\_\_\_ by this law, we need to understand it better.

### 1. You Reap \_\_\_\_\_ You Sow. 6:7

Just like a \_\_\_\_\_, you will reap exactly what you sow. The Old Testament tells the story of \_\_\_\_\_, who deceived his father \_\_\_\_\_ and ended up being deceived himself.

### 2. You Reap \_\_\_\_\_ Than You Sow. 6:8

One grain of corn will produce \_\_\_\_\_ of other grains. In the same way, every \_\_\_\_\_ we commit leads to other sins.

King David's sin with \_\_\_\_\_ led to a lifetime of problems in his \_\_\_\_\_. Hosea 8:7 says that those who sow to the wind will reap the \_\_\_\_\_.

### 3. You Reap \_\_\_\_\_ Than You Sow. 6:9

The farmer must be \_\_\_\_\_ as he waits for his crops to grow. He knows that one day the seeds he has planted will produce a \_\_\_\_\_. In the same way, we can be sure that our sin will one day \_\_\_\_\_ up to us.

Galatians 6:7-9 is not only a warning, it's also a \_\_\_\_\_. It promises that, if we sow good seed, God will reward us \_\_\_\_\_.
