When we make a _____ of our lives, God gives us the opportunity to _____ all over again. Here in chapter 3, not only does Jonah get a fresh start, but the people of _____ get a fresh start as well.

If you desire a fresh start with God, you must:

You may have failed the _____, but that doesn’t make you a _____ (Psalm 103:8).

Verse 4 describes the _____ Jonah preached.

A. A _____ Message.

B. A _____ Message.

2. _____ God’s Word. 3:5

Your _____ is based on what you believe. The reason some people don’t _____ by God’s Word is that they don’t really believe that it is _____.

3. _____ God’s Word. 3:6-10

This is the only example in history of an entire _____, with hundreds of thousands of people, giving their _____ to God. Not only did the people get right with God, the _____ got right too.

Verse 8 says the people repented of _____ sins. Verse 10 reminds us that God doesn’t really want to _____ people for their sins. He doesn’t want to condemn sinners, He wants to _____ them.
